BENEFITS OF EQUIS ORGANIC

- EQUIS ORGANIC is a unique option for the concerned northwest horse owner. All feed ingredients are certified organic including vitamins, minerals and digestive aids.
- **Get MORE out of EQUIS ORGANIC.** Quality feed ingredients, chelated minerals, added vitamins, yeast products, and selenium yeast maximize utilization of the feed your horse consumes.
- **See the benefits of a quality fixed formula.** EQUIS formulas stay consistent every batch.
- **Enjoy the benefits of a nutritionally sound product at an affordable price.**
- Selenium, generally deficient in northwest soils, has been added in sufficient levels to supplement your horse's requirement. Selenium yeast, a highly available form of selenium, has been added to the new EQUIS formulas.

EQUIS ORGANIC INGREDIENTS

EQUIS ORGANIC FEEDING DIRECTIONS

Activity	Feeding Recommendation as a Percentage(%) of Body Weight	Pounds of Feed per 500 lbs of Body Weight
Maintenance	0.2 + Equis Ultramin*	1
Light Work	0.4-0.6	2.0-3.0
Moderate Work	0.6-0.8	3.0-4.0
Intense Work	0.8-1.0	4.0-5.0

*When feeding less than recommended feeding amount, add **EQUIS ULTRAMIN** to complete your horse's vitamin and mineral requirement (See Equis Ultramin tag for further recommendations).

- Feeding rates depend heavily on the quality of forage, activity level, age, breed, temperament, and special needs of each horse.
- Changes in feed type or rate should be made gradually.
- Feeding a minimum of 1% of body weight in roughage is highly recommended.
- Fresh, clean water should be available at all times.
- Feed horses regularly, preferably two or more times daily.
- Do not feed old, moldy, or insect infested feeds as they may cause illness, abortions, or death. Store in a cool, dry place.
